Listening to Our Students and Transcending K-12 to Save Our Nation Alec Ostrom 2020-01-06 This journey will engage you in dealing with some hard truths and it will take you down a new pathway and new ways of thinking about K-12 education. We wrote this book because we want to engage all of our readers in each local community in frank, honest, down-to-earth, practical conversations about our K-12 schools as the foundation for our constitutional democracy. Without well-educated citizens, our government, our economy and our society will not survive. And this is true regardless of the political beliefs of our readers across the political spectrum.
