This book primarily covers the fundamental adjusting knowledge compatible with the state exam, with South Carolina specific coverage. We create these self-practice test questions referencing the concepts and principles currently valid in the adjuster exam. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas. Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning, to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to "simulate" actual exam questions. "realistic" or actual questions that are for cheating purpose are not available in any of our products.
Insurance Disputes Robert Merkin 2020-11-25 Written by an impressive team of specialist contributors, Insurance Dispute is the authoritative guide to litigation for both the insurer and the insured. Divided into two parts – principles of law and their practical use in individual types of insurance, it aims to identify and resolve questions such as: • How should the claimant handle a dispute? • Is the claim within the cover? • When should an insurer dispute cover? • What steps can an insurer take to deny cover? Updated and revised to include new chapters on marine insurance, the Financial Ombudsman Service and ATE insurance, Insurance Disputes is essential reading for anyone involved in insurance law and litigation.
