Illusion and Reality in Eugene O'Neill's "The Iceman Cometh" and "Long Day's Journey into Night" Dennis Alexander Goebels 2010-05-11 Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,3, Ruhr-University of Bochum (Englisches Seminar), course: Eugene O'Neill, language: English, abstract: The Iceman Cometh (published in 1940) and Long Day's Journey into Night (published in 1956 after O'Neill's death) are widely recognized to be two of Eugene O'Neill's best plays. Both belong to his late plays and apart from that bear a lot of similarities. The focus of this paper will be to analyze The Iceman Cometh and Long Day's Journey into Night with special regard to the importance of illusion and reality for both the characters and the progress of the play. Furthermore a comparison will be made between Hickey in The Iceman Cometh and Mary Cavan Tyrone in Long Day's Journey into Night in order to show that they have similar functions in their respective plays. Finally a conclusion will be given which will sum up the argumentation.

Eugene O'Neill in China Haiping Liu 1992 The year 1988 was notable for being the centennial of playwright Eugene O'Neill's birth and a time of unprecedented democratization in the People's Republic of China. In this optimal climate, a remarkable festival and conference devoted to O'Neill was held in Nanjing, China, attended by noted O'Neill scholars and theatre artists from around the world. The essays in this volume capture the intellectual and artistic stimulation of the conference, exploring the major areas of O'Neill scholarship, with an emphasis on his international reputation, particularly in Asia. Included is a forum on the festival productions, as well as photographs.

The Iceman Cometh Eugene O'Neill 2006-08-28 "We live and die, in the spirit, in solitude, and the true strength of Iceman is its intense dramatic exemplification of that

somber reality. . . . Life, in *Iceman*, is what it is in Schopenhauer: illusion."--from the foreword by Harold Bloom The *Iceman Cometh* focuses on a group of alcoholics and misfits who endlessly discuss but never act on their dreams, and Hickey, the traveling salesman determined to strip them of their pipe dreams. Eugene O'Neill--the first American playwright to win the Nobel Prize in literature--completed *Iceman* in 1939, but he delayed production until after the war, when it enjoyed a long run of performances in 1946 after receiving mixed reviews. Three years after O'Neill's death, Jason Robards starred in a Broadway revival that brought new critical attention to O'Neill's darkest and most nihilistic play. Since then, *The Iceman Cometh* has gained enormously in stature; many critics now recognize it as one of the greatest plays in American drama.

Critical Companion to Eugene O'Neill Robert M. Dowling 2009-01-01 Eugene O'Neill is widely considered the greatest American dramatist. Winner of the Nobel Prize in literature, O'Neill also received four Pulitzer Prizes over the course of his remarkable career. *Critical Companion to Eugene O'Neill* explores the personal, historical, and artistic influences that combined to form such dark and influential American masterpieces as *The Iceman Cometh*, *The Emperor Jones*, *Mourning Becomes Electra*, *Hughie*, and--arguably the finest tragedy ever written by an American--*Long Day's Journey into Night*. Ideal for high school and college-level students, this new book covers all of O'Neill's works, as well as detailed entries on his life and related people, places, and topics. Entries include:
