The Napoleon of Notting Hill Gilbert Keith Chesterton 2021-04-17 The Napoleon of Notting Hill is a novel written by G. K. Chesterton in 1904, set in a nearly-unchanged London in 1984. Though the novel deals with the future, it concentrates not on technology nor on totalitarian government but on a government where no one cares what happens, comparable to Fahrenheit 451 in that respect. The dreary succession of randomly selected Kings of England is broken up when Auberon Quin, who cares for nothing but a good joke, is chosen. To amuse himself, he institutes elaborate costumes for the provosts of the districts of London. All are bored by the King's antics except for one earnest young man who takes the cry for regional pride seriously - Adam Wayne, the eponymous Napoleon of Notting Hill. While the novel is humorous (one instance has the King sitting on top of an omnibus and speaking to it as to a horse: "Forward, my beauty, my Arab," he said, patting the omnibus encouragingly, "fleetest of all thy bounding tribe"), it is also an adventure story: Chesterton is not afraid to let blood be drawn in his battles, fought with sword and halberd in the London streets, and Wayne thinks up a few ingenious strategies; and, finally, the novel is philosophical, considering the value of one man's actions and the virtue of respect for one's enemies.

While the novel is humorous (one instance has the King sitting on top of an omnibus and speaking to it as to a horse: "Forward, my beauty, my Arab," he said, patting the omnibus encouragingly, "fleetest of all thy bounding tribe"), it is also an adventure story. Chesterton is not afraid to let blood be drawn in his battles, fought with sword and halberd in the London streets between neighbouring boroughs; Wayne thinks up some ingenious strategies, and Chesterton does not shrink from the death in combat of some of his characters. Finally, the novel is philosophical, contemplating the value and meaning of man's actions and the virtue of respect for one's enemies. Gilbert Keith Chesterton, KC*SG (29 May 1874 - 14 June 1936), better known as G. K. Chesterton, was an English writer, poet, philosopher, dramatist, journalist, orator, lay theologian, biographer, and literary and art critic.

Chesterton is often referred to as the "prince of paradox." Time magazine has observed of his writing style: "Whenever possible Chesterton made his points with popular sayings, proverbs, allegories-first carefully turning them inside out." Chesterton is well known for his fictional priest-detective Father Brown, and for his reasoned apologetics. Even some of those who disagree with him have recognised the wide appeal of such works as Orthodoxy and The Everlasting Man. Chesterton, as a political thinker, cast aspersions on both Progressivism and Conservatism, saying, "The whole modern world has divided itself into Conservatives and Progressives. The business of Progressives is to go on making mistakes. The business of the Conservatives is to prevent the mistakes from being corrected." Chesterton routinely referred to himself as an "orthodox" Christian, and came to identify this position more and more with Catholicism, eventually converting to Catholicism from High Church Anglicanism. George Bernard Shaw, Chesterton's "friendly enemy" according to Time, said of him, "He was a man of colossal genius." Biographers have identified him as a successor to such Victorian authors as Matthew Arnold, Thomas Carlyle, Cardinal John Henry Newman, and John Ruskin.

Chesterton was born in Campden Hill in Kensington, London, the son of Marie Louise, nee Grosjean, and Edward Chesterton. He was baptised at the age of one month into the Church of England, though his family themselves were irregularly practising Unitarians. According to his autobiography, as a young man Chesterton became fascinated with the occult and, along with his brother Cecil, experimented with Ouija boards."

The Napoleon of Notting Hill G. Chesterton 2018-06-18 The Napoleon of Notting Hill is a novel written by G. K. Chesterton in 1904, set in a nearly unchanged London in 1984. Although the novel is set in the future, it is, in effect, set in an alternative reality of Chesterton's own period, with no advances in technology or changes in the class system or attitudes. It postulates an impersonal government, not described in any detail, but apparently content to operate through a figurehead king, randomly chosen. The dreary succession of randomly selected Kings of England is broken up when Auberon Quin, who cares for nothing but a good joke, is chosen. To amuse himself, he institutes elaborate costumes for the provosts of the districts of London. All are bored by the King's antics except for one earnest young man who takes the cry for regional pride seriously - Adam Wayne, the eponymous Napoleon of Notting Hill.

When its rights and autonomy are threatened by modernizing neighbors, war breaks out. It is a war fought not with astounding new weapons, but with swords and battle-axes, and it is waged for a cause in which the author deeply believed. The Man Who was Thursday In Chesterton's most famous novel, Detective Syme is determined to discover everything about a club of anarchists, so he decides to infiltrate the resistance group and then he unwittingly, and unwillingly, gets caught up suddenly and finds himself elected to their council!

The Napoleon of Notting Hill by Gilbert Keith Chesterton Annotated Gilbert Chesterton 2020-08-17 The Napoleon of Notting Hill is a novel written by G. K. Chesterton in 1904, set in a nearly-unchanged London in 1984. Though the novel deals with the future, it concentrates not on technology nor on totalitarian government but on a government where no one cares what happens, comparable to Fahrenheit 451 in that respect. The dreary succession of randomly selected Kings of England is broken up when Auberon Quin, who cares for nothing but a good joke, is chosen. To amuse himself, he institutes elaborate costumes for the provosts of the districts of London. All are bored by the King's antics except for one earnest young man who takes the cry for regional pride seriously - Adam Wayne, the eponymous Napoleon of Notting Hill. While the novel is humorous (one instance has the King sitting on top of an omnibus and

speaking to it as to a horse: "Forward, my beauty, my Arab," he said, patting the omnibus encouragingly, "fleetest of all thy bounding tribe"), it is also an adventure story: Chesterton is not afraid to let blood be drawn in his battles, fought with sword and halberd in the London streets, and Wayne thinks up a few ingenious strategies; and, finally, the novel is philosophical, considering the value of one man's actions and the virtue of respect for one's enemies.

Chesterton: " Publisher: Kindle E-Book Edition: ISBN-13: 978-1-78379-112-5 It will be very reasonably asked why I should consent, though upon a sort of challenge, to write even a popular essay in English history, who make no pretence to particular scholarship and am merely a member of the public. The answer is that I know just enough to know one thing: that a history from the standpoint of a member of the public has not been written. What we call the popular histories should rather be called the anti-popular histories. They are all, nearly without exception, written against the people; and in them the populace is either ignored or elaborately proved to have been wrong. "Publisher: " Catholic Way Publishing. This Paperback is the ideal small size of 5" x 8."
